

Camp Glisson Recycles

Inkjet printer cartridges

The next time you have an empty inkjet printer cartridge, don't throw it away! Camp Glisson gets paid for each recyclable cartridge returned. We can send you free shipping materials to easily return recyclable inkjets, such as:

**Apple • Canon • Dell • HP
Lexmark • Samsung • Sharp**

(Epson and Canon BCI cartridges cannot be recycled)

Cell phones

Most cell phones on the market today can be recycled. The next time you trade-up to a new cell phone, keep your old one and bring it to Camp Glisson.

Most cell phones by the following manufacturers can be recycled:

Audiovox
Blackberry
Danger
Handspring
Kyocera
LG
Motorola

Nextel
Nokia
Panasonic
Samsung
Siemens
Sony/
Ericsson

You can ship cell phones yourself. Just call us for free shipping labels!

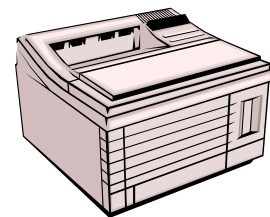

You can help!

*Ask your friends and neighbors
to bring their items to your
church or business as a
collection point!*

(Call us if you have questions)

Laserjet printer cartridges

Although many of those bulky laserjet cartridges can also be recycled to help raise funds for Camp Glisson, there are some which cannot be recycled. Contact us with the name of the manufacturer and model number of the machine in which it is used, we can check to see if your cartridges qualify for recycling.
