Adventure Outpost: Kayaking and Rappelling campers will spend the week living and camping at the Outpost on Camp Glisson property and at a campsite along the Chestatee River in Dahlonega. Adventure groups will kayak on the Chestatee River and rappel down a rock face at Cooper's Gap. The rappelling will be facilitated by Camp Glisson staff who have been trained by members of the American Mountain Guides Association (AMGA) or Association of Challenge Course Technology (ACCT) in climbing and rappelling. Transportation will be provided by Lumpkin County school buses and professional drivers or camp vehicles and staff. Campers will be in their adventure group with three staff members, each of whom are trained in First Aid and at least one of whom is Wilderness First Aid and Lifeguard certified. While on the river, emergency services are approximately 30 minutes away. While at the rappel site, emergency services are approximately 45 minutes away. The group will be in touch with main camp at least once a day. Camp Glisson provides adequate group gear and supplies for each trip yet camper are subject to extremes in weather at all times. Campers will be held responsible for their own behavior while participating in this Adventure Outpost camp. Understanding these situations, I hereby give permission for my child, _____, to participate in this trip sponsored and supervised by Camp Glisson.
